John C. Lawson, Jr.	Western District
Paul "Chappy" Baker	At-Large Supervisor
Chris McKlarney	County Administrator
Rhonda Tickle	Finance Department
Richard Chidester	County Attorney
Missy Bray	Board Secretary

### **CALL TO ORDER/INVOCATION**

Mr. Morris called the meeting to order, and Mr. McKlarney offered the invocation and led the Pledge of Allegiance.

### **APPROVAL OF MINUTES**

***Mr. Baker motioned to approve the June 29, 2018, minutes as presented. Mr. McCoy seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

### **VDOT REPORT**

Mr. Anthony Ford reported updates on projects and maintenance and introduced his coworker Mr. Paul Brown. He indicated there had been ditch cleaning and culvert installation done on Sinking Creek Road and some potholes and patching done on Routes 100, 460, 730, 622, and 670. Mr. Ford related the first round of secondary mowing had been completed and shoulder work was completed on Wolf Creek Road as well as a sink hole on Main Street in Pearisburg. He indicated shoulder work for Big Stoney Creek Road and brush cutting on Springdale are both scheduled. Mr. Ford reported pot holes were to be patched within the week on Virginia Heights, brush cutting is completed on Route 460, and the work needed on Celestial Heights is scheduled.

Mr. Ford reported he had checked into the delay of the caution lights installation near the intersection of Route 460 and Big Stoney Creek Road. He related the project is part of a larger task order and the contractor had been pulled off on different things. Mr. Ford stated the concrete for the signage is expected to be done next week with testing to be done on the concrete after it is poured. He anticipates the project will be done within the next three weeks and requested members let him know if no progress is seen within the following week.

Mr. Baker reported there had been another accident at the location and reemphasized the importance of the caution lights as well as lowering the speed limit in that area to 55

miles per hour. He related brush cutting needs done at the intersection of Hill Street and Route 100 and requested the concrete be replaced on Route 460 past the bridge at Glen Lyn, indicating the concrete is busting up.

Mr. Lawson commended the work done by local staff regarding a request for shoulder work on Old Wolf Creek Road. He inquired about the status of the drainage issue on Woodland Street in Rich Creek. Mr. Ford related the environmental is in process and a plan is in place which should alleviate the issues. Mr. Lawson inquired about the emergency crossover in Rich Creek. Mr. McKlarney explained the main reason for the request was due to road closures in the bluffs causing traffic to be rerouted. Mr. Lawson requested work on Penvir Road per requests from residents.

Mr. Williams advised a list is compiled on a monthly basis with requests from members and inquired about work needed on River Road. Mr. Brown related he knew the package had gotten to Mr. David Clarke but did not know the current situation. Mr. Williams stated it had been worked out but nothing had been done and requested that Mr. Brown check on it. Mr. Williams related brush cutting is needed on Lyda Lane and inquired about the status of the brush cutting contract. Mr. McKlarney related he had not received the agreement back from VDOT. Mr. Williams reported he had received a call from a resident at the intersection of Mill Road and Peck Street where several people had been running off the road into his yard due to the shoulder. He also requested an update of funds. Mr. McKlarney related the TeleFee funds are at \$42,888 and CTB Formula funds are at \$223,774 for fiscal year 2019 with TeleFee funds at \$42,888 and CTB Formula funds at \$203,796 for fiscal year 2020.

## **VDOT SIX YEAR PLAN RESOLUTION**

Mr. McKlarney presented the secondary six-year road plan resolution (2018/2019 through 2023/2024) as presented in the recent public hearing and advised it could be approved as presented or with changes. The plan priorities are as follows:

- Priority #0: Countrywide surveying, right of way, guardrail – various countywide
- Priority #1: Rural additions
- Priority #2: Reconstruct and surface treat Route 673 Penvir Road
- Priority #3: Reconstruct bridge – locally administered – Route 673 Penvir Bridge
- Priority #4: Reconstruct and surface treat Route 659 Prospectdale Road
- Priority #5: Reconstruct and surface treat Route 621 Hiram Jones Road
- Priority #6: Reconstruct and surface treat Route 647 Powell Mountain Road

Mr. Williams requested the right of ways be obtained on those roads prior to the projects taking place in order to avoid delays. A copy of the resolution is attached at the end of these minutes.

***Mr. McCoy motioned to approve the Secondary Six-Year Road Plan Resolution as presented. Mr. Baker seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

## **VIRGINIA SMART SCALE FUNDING PROCESS RESOLUTION**

Mr. McKlarney presented a resolution authorizing the submittal of the Route 100 HSIP application in an attempt to acquire Virginia Smart Scale Funding. A copy of the resolution is attached at the end of these minutes.

***Mr. Williams motioned to authorize the submittal of the Route 100 HSIP application to acquire Virginia Smart Scale Funding. Mr. Lawson seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

Mr. Rick Shingles inquired what is being done regarding possible road and bridge damage from the MVP construction. Mr. Brown related VDOT staff is going out and looking at possible issues. He stated, when found, the information is provided to the district level which communicates the problem to MVP. Mr. Brown advised MVP has been very responsive and is making requested repairs within a week to ten days. He indicated residents seeing any problems can report them to him directly.

## **LEGISLATIVE UPDATE**

Delegate Chris Hurst updated members on items within the legislative arena as related to Giles County. He reported he had attended a legislative retreat with the Sportsmen's Caucus and was having a discussion on where to hold the next one. He had suggested having the next one on the New River and do a float in Giles County. Mr. Hurst commended the work done on promoting tourism within the county and related funding is being sought to use for unified tourism signage.

Delegate Hurst reported a change in the DMV process where citizens could not get a title registration for a vehicle if they have delinquent taxes, which was introduced to him by Chief Steve Buckland and Mr. Roger Jones of Rich Creek. He indicated he had received good responses from state treasurers and commissioners. Mr. Hurst reported transport issues received from Chief Buckland in Rich Creek. He related funds for an alternative transport study have been allocated and expects it to be expanded statewide with half the demand being taken away by using private transport agencies.

Delegate Hurst informed members of a tax forgiveness bill to attract new businesses to the area with incentives already in place by the county. He related Giles is a qualifying locality and an RFP process is being developed. Mr. Hurst stated grant funding is being sought for the personal income tax portion of the program. He also related funds had been redistributed in the budget to for teacher raises and an increase is expected for the 2019-2020 school year as well. Mr. Hurst indicated he would like to see more funding for schools and teacher raises at the state level, relating the state needs to go big and come up with a plan in order to attract and retain teachers.

Delegate Hurst conveyed information about an incentive for broadband expansion for last mile coverage. He informed members of downtown revitalization and how they are looking to include more projects for rehab and renovations with multiple properties on

one project and looking at the current historic tax credits. Mr. Hurst spoke of the MVP work stoppage and related he had talked to MVP about providing better communication to localities. He indicated he would be participating in a conference call with DEQ and will provide a briefing to the county.

Mr. Baker requested that Mr. Hurst keep pushing for more funding for teacher raises noting he is the person that can help the request move along. Delegate Hurst stated three percent does not feel like a raise with insurance costs and related Virginia is in the bottom third on teacher salaries. He informed members he would like to see a \$10,000 increase for teacher pay in southwest Virginia. Mr. Hurst related he has frequent conversations with Mr. McKlarney, who always speaks to him of the need for teacher raises. He stated road conditions in the area are also a concern noting the state needs to make sure infrastructure is where it needs to be. Mr. Hurst commended the county for its innovative programs, local sponsorships and the ability to figure things out on its own.

## **PRESERVE GILES UPDATE**

**Ms. Nan Grey** - Ms. Grey indicated she is a soil scientist and provided a copy of a letter to Governor Northam listing problem soils and stated the problems continue to not be addressed by MVP noting the Kimballton area as an example. She related issues with the piping to be used in the area indicating the soil will make holes on its own and concentrate the flow. Ms. Grey reported MVP was going along 60 miles of the Eastern Continental Divide, which was not put in the paperwork. She related the blasting explosives used by MVP have cancer causing ingredients as well as what is used to clean it up. She also related the potential for landslides, noting that where the problems occur will be in these soils.

**Mr. Russell Chisholm** – Mr. Chisholm related he is the vice-coordinator for Preserve Giles County and MVP Watch and invited members to come out and participate in the monitoring process. He noted 150 reports had been amassed by landowners and related they are all uploaded to the New River Geographic website with information being added daily. Mr. Chisholm informed members of upcoming webinar training by Trout Unlimited relating to E&S best management practices. He reported unattended sites left burning with slash piles that had either reignited or left smoldering. Mr. Williams inquired how many DEQ inspectors were in the county. Mr. David Walker related there are three inspectors for every 100 miles of pipeline, and Mr. Chisholm stated DEQ is receiving reports of the findings.

**Mr. David Walker** – Mr. Walker stated if DEQ inspectors are in the area they are most likely not going to the remote areas where contractors are less likely to follow guidelines. He related he would like to see a burn ban as things have gotten worse with the fires with stumps and roots dug out of the ground, which will smolder for days. Mr. Walker informed members a P250 pump with a 300-gallon water tank would be pumped dry in 1 minute and 10 seconds noting the tank would not do much to help. He recommended instilling a burn ban if responsible burning was not practiced. Mr. Walker reported pipeline trucks running off the road and drivers oblivious to traffic laws

recommending they be put on notice and road checks be put in place. He stated the county did not have to wait for a recommendation from the forest service to instill a burn ban.

**Mr. Rick Shingles** – Mr. Shingles related his is a coordinator for Preserve Giles and Mountain Valley Watch. He inquired about the work being done along Route 42 which will cause road closure and noted residents will have trouble getting out because of it. Mr. McKlarney reported there would be no lane closures during the Newport Agricultural Fair and was told it would only be a couple of days where traffic was detoured onto Zales Mill Road. He indicated MCP would be keeping one lane open on the other days and a request for more information had been sent to Precision Pipeline. Mr. Shingles stated rerouting the traffic onto Cover Hollow and Zales Mill would not work due to them being narrow and curvy. Mr. Williams related the Salem office reported the location might be drilled and the decision to close the road is not yet final. Ms. Grey stated MVP is not allowed to drill in karst. Mr. Shingles related information regarding drone flights performed by the group and reported a ridge through Newport where mud could come down either side due to no E&S controls. He indicated there are other places where there is no pretense of putting in controls and related he would be in on the upcoming conference call with DEQ.

**Ms. Donna Pitt** – Ms. Pitt related MVP was asked to add odorant to the gas in the pipeline and requested that members demand the odorant be added. She indicated the residents would not be able to smell a leak if it is not added and related a new pipeline in West Virginia had leaked due to a landslide. Ms. Pitt reported MVP had routinely refused to add the odorant and there was no excuse for them not to add it to the gas. Mr. McKlarney explained the Board had requested the odorant be added and provided a copy of the response from MVP. Ms. Pitt related the ash from the burning has been so thick people were having to wear masks to breath with reports made to the health department as well as DEQ. She reported burning taking place on property where the landowner had a lease requiring chipping but was ignored by the workers. Mr. McKlarney requested the name and address of the landowner.

## **PUBLIC COMMENTS**

**Ms. Patricia Tibbs** – Ms. Tibbs thanked members for the compensation committee meetings to try to work toward a plan on school salaries. She related, as a veteran teacher, she is concerned about her VRS as every year they do not get a raise affects her retirement. Ms. Tibbs stated she realizes the funds come from the General Assembly to the locality and spoke of the three percent raise supposedly coming in January. She noted they had been told the same thing about a raise from the state before which never happened.

## OLD BUSINESS

### PILT CLASS ACTION

Mr. Chidester advised the PILT class action lawsuit is pending approval. He explained there would be no cost to the county to opt in and the maximum expected settlement to the county would be approximately \$10,000. Mr. Chidester provided background information to members as to how the lawsuit came about.

***Mr. Baker made a motion authorizing Mr. Chidester to submit the PILT class action lawsuit paperwork on behalf of the county. Mr. Lawson seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

## NEW BUSINESS

### NEW RIVER VALLEY PASSENGER RAIL 2020

Mr. Ed Lawhorn presented information on the efforts to expand Amtrak passenger rail service into the New River Valley. He related information such as goals, background, success of the Lynchburg and Roanoke stations, and local efforts including bipartisan representation. Mr. Lawhorn spoke of milestones, market demand and operational studies as well as a location study. He indicated the study found the location would be best suited in Christiansburg near the Aquatic Center with a ten-acre site. Mr. Lawhorn outlined the next steps of the plan and what people can do to help the effort. He invited members to attend a legislative reception to be held in September.

## REASSESSMENT

Mr. McKlarney informed members it is going in to the fourth year since the last reassessment. He indicated the Board could vote to extend to five or six years according to state regulation being the population is less than 50,000 and recommended a five-year extension.

***Mr. Williams made a motion to extend the reassessment to five years. Mr. Baker seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

Members discussed previous assessment values and the need to get a request for proposal out in the near future. Mr. Williams suggested the possibility of hiring an appraiser. Mr. McKlarney stated he will discuss that option with the Commissioner.

## PUBLIC-PRIVATE EDUCATION FACILITIES AND INFRASTRUCTURE ACT (PPEA)

Mr. McKlarney presented policy regarding the Public-Private Education Facilities and Infrastructure Act. He related he had received a lot of interest from local providers regarding the lack of broadband in the outlying areas of the county, and the study with

CIT was nearing its end. Mr. McKlarney explained the policy being in place would allow for public-private partnerships where grant funds could be used to help private companies come in and expand broadband service.

***Mr. Williams made a motion to approve the PPEA Policy as presented. Mr. McCoy seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris, and Mr. Williams***

## **EXECUTIVE SESSION**

***Mr. McCoy motioned to go into executive session as permitted by Virginia Code 2.2-3711 A (1) Personnel and (7) Legal Counsel. Mr. Baker seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris and Mr. Williams***

***Mr. McCoy motioned to return to open session and he certified that in the closed session just concluded, nothing was discussed except the matter or matters (1) specifically identified in the motion to convene in closed session and (2) lawfully permitted to be discussed under the provisions of the Virginia Freedom of Information act cited in that motion. Mr. Baker seconded the motion. The motion was approved 5-0 as follows: Voting Yes: Mr. Baker, Mr. Lawson, Mr. McCoy, Mr. Morris and Mr. Williams***

## **TRANSFERS AND SUPPLEMENTS**

Ms. Tickle presented information to members regarding subsidies on Castle Rock and the Giles County Wellness Center for the 2018 fiscal year. She indicated the subsidy

for Castle Rock was down to \$102,375, which is a decrease of over \$40,000 from the previous year and expects it to be even lower next year. Ms. Tickle related the subsidy for the Wellness Center is \$62,704, which is an increase but the revenues coming in are steady. Mr. McKlarney indicated there were several improvements made to the center during the year.

Ms. Tickle presented the final supplements for fiscal year 2018 in the amount of \$268,183.39. She gave details of line items and explanations for the need. A copy of the supplements is attached at the end of these minutes.
